

## Rolling Meadows GC

As Fond du Lac's public golf leader for 50 years, Rolling Meadows Golf Course is pleased to have hosted numerous state tournaments, fundraisers and outings. We would be happy to host your foursome or group.

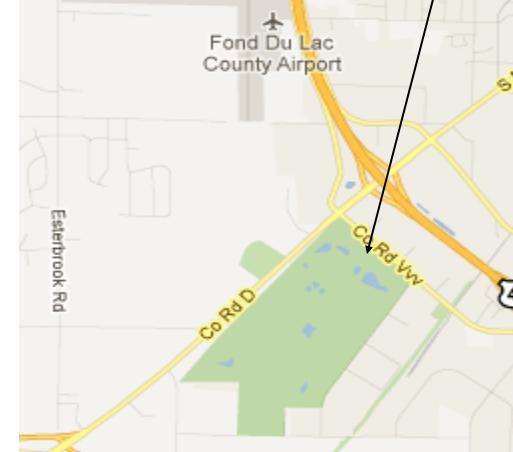

Rolling Meadows opened in 1972 with 18 holes and underwent a complete revision starting in 1993. In 1996 the new 27 hole Dick Nugent designed championship course opened with 17 new holes and all but 3 of the original holes improved.

The rolling terrain, prairie grass, water features and strategically placed bunkers add to the beauty and challenge of the links.

### Rolling Meadows Features

- Championship layout with "hybrid" bluegrass fairways allowing for excellent play. State of the art irrigation and equipment help maintain the golf course to "Country Club Standards."
- 5 sets of WSGA rated tees provide 18 hole yardages from 5,063 to 7,014. Golfers can pick the yardage and challenge to match their abilities.
- Our new PGA Family Course tees are the 6 and 7th set and allow beginners, juniors and those looking for a short course to enjoy the beauty of our layout without all the challenge.
- Our complete practice facility will allow for the perfect warm up or intense practice. We offer a large undulated putting green, full driving range and a short game practice area with sand bunker. Our driving range tee offers a large "low mow" bluegrass turf area and a new "Players Turf" tee line for when weather conditions are less than ideal.
- Our golf shop is loaded with quality logo apparel and a full line of golf equipment. Our Professional staff provides outing consultation / planning, club fittings and lessons.

Rolling Meadows GC is located near the corner of Hwy 41 (Exit 97B) and County RD D (Formerly 151).
